

OK IT IS TIME FOR A BREAK – MY GAMOROUS ASSISTANT WILL ADD UP THE SCORES TO DATE WHILE YOU ALL HAVE A DRINK AND SOMETHING TO EAT.

BUT do not let those brains rest, we have a half time teaser.

I am passing round sheets showing 20 national flags and all you have to do is identify them. One point each so twenty points available.

However, don't panic, there are a couple (or three) clues.

The flags are in alphabetical order.

No first letters are repeated i.e. if you think number one is Argentina then number two cannot be Albania.

The third clue is more important than the first two but you have to work it out for yourselves??

Of 8 teams taking part about half worked out the third clue, let's see who is the first person to e mail me with that third clue. alake015@btinternet.com
If you attended on the evening then you will know what it was so please do not e mail.
