

OK once again, time for a break, sausage roll, mince pie, anything you have brought yourselves and a drink.

My colleague will add up the scores to date. But you've guessed it, there is a half time brain teaser.

This time we have 20 pictures of birds all of which spend all or part of the year in the UK, all you have to do is identify them. Yes, there is a clue, they are in REVERSE alphabetical order.
